**Regulation (EC) No. 1907/2006 - Registration, Evaluation,
Authorisation and Restriction of Chemicals (REACH)**

Beckhoff Automation GmbH & Co. KG is a manufacturer of automation products. Within the scope of the REACH Regulation, these products are articles and are thus not subject to registration. Our products comply with the restriction requirements described in Annex XVII of the REACH Regulation.

Duty to communicate information on substances in articles

According to Article 33, a duty to communicate information applies to "substances of very high concern" (SVHC) if these are present in an article at a concentration above 0.1% (w/w). For more information, please visit [Candidate List of substances of very high concern for Authorisation - ECHA \(europa.eu\)](https://eucha.europa.eu).

Beckhoff Automation is in active communication with its suppliers and has received confirmation that its obligations resulting from the REACH Regulation have been understood and are complied with. Information on SVHCs, applicable RoHS exemptions and SCIP submission numbers can be found in the list "*SVHC, SCIP and applicable RoHS exemptions for Beckhoff Automation Products*" published on our [website](#).

We monitor the candidate list and update our information on SVHCs in our products regularly.

Best regards

Dr. Hatice Söyler
